NEW JODY'S is now open in Redondo Beach. Restaurant is second opened in South Bay by John Haretakis and Perry Corkos. The new 3600-square-foot, 120-person capacity entry is located at 1914 So. Pacific Coast Highway. Architect is Robert Muncester. —Press Photo by Walter D. Elswick

PRE-DINNER ENJOYMENT—The new game of "Checkline," a three dimensional version of tic-tac-toe that's becoming a national craze, is played before dinner at Marineland Restaurant in Palos Verdes by Mrs. George Foster (left) and Mrs. John Bichler of Torrance. The affable "kibitzer" is George M. Foster, owner of the dining establishment.

**Concert Planned Sunday Afternoon**

At the Torrance Park in the shell, Sunday May 21, promptly at 1 p.m., students of the Mel-O-Dee Music Studios will give a concert.

The public is invited to attend and hear the soloists and band numbers which will be performed.

Slim Edwards is the instructor and stated that the Mel-O-Dee music students will compete for the fourth time at the National Music Association competition to be held in Portland, Oregon August 9, 10, and 11. The Studio has won a first award the last three years and will try for the fourth time this summer.

Four outstanding students will perform at the concert Sunday afternoon. They are Larry Carleton, local recording artist; Billy Hyatt, child movie actor; Eddy Fannier, and Randy Roach both star pupils.

On June 11 the students will play at Knotts Berry Farm.

Edwards stated that a complete list of the students will be given when the final plans for the Fall Recital are announced in late summer.

**FACTORY BUILT**

Approximately one out of ten new homes constructed in this country are now factory built, Anaconda building specialists report. Use of copper tube for the drainage system is one technique employed to keep down cost of factory-built and other types of homes.

**Toastmistress Conclave Set**

Several hundred women, many from Torrance, of three councils of Toastmistress Clubs International converged on San Pedro, last Saturday, when the Intra-Council speech contest was held at the Hacienda Hotel. General chairman was Mrs. Marie Louise Hansen, San Pedro, assisted by members of the three participating councils.

Among the three speakers facing either a trophy or elimination was Mrs. Glenn Sink, San Pedro, who has been winner of three speak-offs and represents members of 17 Toastmistress Clubs of Council One.

Rounding out the afternoon's program was a fashion show with models from the San Pedro club including Mrs. Frank Wagester, Lomita; Mrs. St. John, Hollywood Riviera. Reservations chairman is Mrs. Laurie Griggs, Harbor City, president of the San Pedro club.

At the last meeting of the club, Mrs. John O'Hara, 3617 Paseo del Compo, Palos Verdes Estates, was inducted as a new member by vice-president, Mrs. St. John.

Topic mistress was Mrs. Wagester, who presented each

impromptu speaker with a color from which they were to give a three minute talk. Speakers were Mrs. Ferne Murray, San Pedro; Mrs. John Dieter, Torrance, and Mrs. O'Hara, who with the spontaneity and freshness of new membership won the topic cup.

Entire group evaluated two prepared speeches by Mrs. Martin Trolen and Mrs. Norman McKean, both of San Pedro. Moderator was Dr. Virginia Crumpley.

Membership in the San Pedro club is comprised of women from Torrance, Lomita, Harbor City, Rolling Hills, Palos Verdes, Palos Verdes Estates, and San Pedro. Women interested in a more graceful and facile use of the English language and in the program of self-improvement and confidence building that Toastmistress training offers are invited to attend a regular meeting on the second and fourth Monday evenings at 7:30 p.m. in the YWCA, San Pedro.

**CARD PARTY PLANNED**

Torrance Camp of Royal Neighbors No. 8908 will be hosts to a public card party on Tuesday evening, May 23, in the Torrance Woman's Club House, 1422 Engracia Avenue.

The games will start at 8:15 with bridge, canasta, five hundred, pinochle and bunco being played. Prizes will be awarded for high scores and a door prize will also be given.

The Royal Neighbor Circle will be the hosts of the evening with Mrs. Mark Baker, chairman.

**EIGHT QUARTS**

A Southern California cow will average around 8 quarts of milk per milking... enough to provide daily milk requirements for five families with two children per family.

**Disneyland Signs Benny Goodman Memorial Weekend Performances**

Benny Goodman is coming to Disneyland.

The King of Swing will reign over the Magic Kingdom for three consecutive nights during the coming Memorial Day weekend.

For dancing pleasure, and for those who just care to sit and listen, Goodman and his magic clarinet will appear

at a specially built bandstand and dance area in Tomorrowland, May 27-28-29. He'll play from 8-12 P.M. each evening.

Commenting on Goodman's performance, Director of the Park's entertainment Tommy Walker said: "Booking Goodman—the first star ever to appear in Disneyland for more than one performance—

sets the pattern to introduce the biggest season of nighttime entertainment we have ever offered in Disneyland."

Goodman and his court of 10 artists will usher in Disneyland's "open every day summer schedule. Regular ticket prices will prevail throughout the Goodman appearance.

Through a long and celebrated career of exciting music lovers of all ages, Benny Goodman has been no stranger to the West Coast. His first professional engagement was with Ben Pollack's band at the Venice Ballroom in the middle '20s. Since that time he has made many tours to the Los Angeles area, turned up again in Hollywood (1955), this time to put his life story on celluloid, and was back briefly last year to stir high fever among the jazz buffs.

The "Let's Dance" theme song of Benny Goodman, coming straight to Disneyland from a concert date in Chicago, will also be heard on Saturday, June 3, when the band opens the 1961 "Date Nite" Disneyland program.

**BAD ACT**

A single bad act no more constitutes a villain in life than a single bad part on the stage. The passions, like the managers of a playhouse, often force men upon parts without consulting their judgment, and sometimes without regard to their talents. Thus the man, as well as the player, may condemn what he er, may condemn what he himself acts.

—Henry Fielding (1707-54) English novelist

**BRIGHT COMET**

This bright comet, having traveled in its orbit with inconceivable velocity through immeasurable space, seemed suddenly — like an arrow piercing the earth — to remain fixed in a chosen spot, vigorously holding its tail erect, shining and displaying its white light amid countless other scintillating stars.

—Leo Tolstoy (1828-1910) Russian novelist

KING OF SWING—Benny Goodman, king of swing, will reign over the Magic Kingdom of Disneyland for three consecutive nights during the coming Memorial Day weekend; May 27, 28 and 29. He'll play from 8 until 12 p.m. each evening.
